Pursuant to the Court's Order of April 19, 2019, (ECF No. 41,) the parties submit the following updated joint case management statement in advance of the August 1, 2019, case management conference set in this matter.

Pursuant to the Court's April 19, 2019, order, the case was referred to Judge Robert M. Illman for settlement. Judge Illman will hold a settlement conference for the parties on August 19, 2019. The parties are in the process of conducting discovery. The named parties have been deposed, and counsel for the parties are preparing to depose

witnesses, some of whom will be deposed prior to the August 19, 2019, settlement conference to ensure that it is productive.

In the April 18, 2019, case management conference, the Court said that it would like the parties to participate in a settlement conference prior to returning for a case management conference and the setting of dates in the case. The settlement conference was set for August 19, 2019, because it was the earliest date possible that accommodated Judge Illman's and the parties' schedules. Therefore, the parties respectfully request that the Court continue the case management conference currently set for August 1, 2019, to August 22, 2019, or a date thereafter that the Court prefers.
